## Spring \$pecials

Happy  
*Mother's*  
Day

*and a very special Nurses Week*

### **May is for Confidence, Celebration & New Beginnings**

This month, we're celebrating beauty, self-care, and YOU! Spring is in full bloom—a season of fresh starts, renewed energy, and personal transformation. As we shake off the gray of winter, it's the perfect time to refresh your routine and embrace the glow of warmer, sunnier days.

We're also celebrating two special occasions: **Mother's Day** and **National Nurses Week**. Whether you're a mom, a nurse, or simply someone who deserves to feel their best, we honor and appreciate all the care you give to others. Your strength, compassion, and dedication deserve recognition—and a little pampering too.

### **VIP Event Update**

Due to unforeseen scheduling conflicts, we've had to **cancel our VIP Client Appreciation Event** originally planned for May. We sincerely apologize and are already planning future opportunities to celebrate with you. Thank you for your understanding and continued support!

### **Summer-Ready Skin Starts Now**

May is your moment to prepare for the sunny months ahead. Here are a few of our favorite seasonal tips:

- **Hydrate + Brighten:** Add a vitamin C serum to your routine for antioxidant protection and a luminous glow.
- **Protect Daily:** Apply a zinc-based sunscreen every morning (yes, even on cloudy days!). We recommend our favorite: **Colorescience SPF**.
- **Laser + Light Treatments:** Now is the last call for laser treatments before summer—fade pigmentation, reduce redness, and even skin tone with minimal downtime.

**Book Early – June Schedule is Limited!**

Lacee will be out of the office **June 13–27**. If you need a refresh before summer, we encourage you to schedule soon—appointments are already filling up quickly!

**Make the Most of Your Visit:** This is a friendly reminder that we offer a \$100 referral credit for any new client that books a service with us (minimum \$100 purchase; social media influencers excluded from referral credit). CCPHP members get 10% off esthetic services. And don't forget your Alle or Evolus Rewards.
